Programmer looking for junior-level web developer position. Readily able to adapt to and willing to learn new technologies. Experience with Web Development and OO-based languages.

## EDUCATION

**Barren County Skills Academy**, *Campbellsville, Kentucky*, January 2021 ongoing through May 2021.

Subjects covered thus far: HTML, CSS, Bootstrap, JavaScript.

**B.S., Northern Kentucky University**, *Highland Heights, Kentucky*, Computer Science, May, 2010, GPA **3.76**, graduated Magna Cum Laude, multiple Dean's List awards

**A.A.B., Midwest Culinary Institute at Cincinnati State Technical and Community College**, *Cincinnati, Ohio*, Pastry Arts, December, 2017, graduated Magna Cum Laude, multiple Dean's list awards

## PREVIOUS EMPLOYMENT

**Donut Fryer, Holtman's Donuts**, *9558 Civic Centre Blvd, Westchester, OH.* September 2018-October 2019

- Engaged in all parts of the process of donut production: primarily frying, but also the shaping and decoration.
- Aided in the production of thousands of donuts across different varieties, both yeast and cake, to match customer demands under strict timelines.
- Closed the kitchen at the end of the day, cleaning and performing maintenance to the machinery and facility.

**Assistant Baker/Bakery Clerk, Bakery Hill**, *Cincinnati State Technical and Community College.* August 2016-December 2017

- Served pastries, breakfast items, coffee, soft drinks, and espresso drinks to customers
- Prepared hundreds of goods, including muffins, mousse, bread, brownies, cakes, and cream puffs, to be served at the Summit restaurant, Overlook Café, and directly out of the store
- Participated in the regular upkeep of the bakery, including washing dishes, cleaning tables and equipment, restocking drinks, managing inventory, rotating stock, and accounting and depositing money at the end of the day.

## RELEVANT SKILLS

- Proficient in HTML and CSS, currently learning JavaScript.
- Proficient in the use of a Mac OS and the command line terminal
- Familiar with the use of Git, GitHub, and Git Repositories for uploading code.
- Proficient in Word, Windows, and familiar with Powerpoint and Excel.
- Proficient in Java, familiar with C, C++, and SQL.
- Can type at 70+ WPM.
